

YORKSHIRE VILLAGE HOA NEWSLETTER

SNOW REMOVAL

We are so grateful to our snow removal team for the great job they've been doing clearing the roads and sidewalks after and during the heavy snow storms we've received. Thank you for your patience in this process and for those that have reached out to us about areas of concern. We have reviewed the messages received in regards to snow removal and are working towards solutions.

DID YOU KNOW?

In March, the full moon is referred to as the "Worm Moon", referring to beetle larvae (or worms) that begin to emerge from thawing tree bark and other winter hideouts at this time of year. They are a sure sign of Spring on its way! March 7th is the date of this year's Worm Moon and it will reach its peak at 7:42AM.

PET REMINDERS

We want to remind pet owners that is your responsibility to clean up after your pets! This includes your patio. 

Your pets are full of surprises, but no one likes to **STEP** in them! Please clean up after your pets and keep them on a leash at all times.

SPRING BREAK

Logan City School District Spring Break will be:

April 3rd-7th 

DECORATION REMOVAL

Thank you for making Yorkshire a fun and festive place to live. As the winter holidays are now coming to an end, please be sure to put away your holiday decorations. 

REMINDER TO PROPERTY OWNERS

 If you have renters living in your property, it is your responsibility to make sure your renters have a copy of the community Rules and Regulations and that they are following them. Renters can also receive a copy of the monthly newsletter by contacting North HOA.

SCREEN REMINDER

All windows need to have screens in them (garage windows included!). 

They need to be in good working order with no holes or tears. April 1st, 2023 is the deadline to replace damaged screens before warnings and potential fines will be issued. 

WARMER DAYS AHEAD!

-Although we should be through the coldest part of the year, please remember to set your thermostat no lower than 55 degrees when you are away from home to prevent frozen pipes.

-Please be aware of your surroundings when driving around our community. Warmer days bring more people and pets outside.

GOOD NEIGHBOR REMINDER

The walls of Yorkshire are NOT soundproof! 

Please be courteous to your neighbors by keeping noise from music, parties, and gatherings at a reasonable level during day time hours.

Logan City noise ordinance requires quiet during the hours of 10:00PM - 7:00 AM.
