

# Aspen Condo HOA

## *Extra Vehicle Overflow Parking Contract*

Overnight parking in overflow parking is for guests only. If an owner/resident needs to park an extra vehicle in overflow, there will be a \$25.00 per month rental charge, subject to approval of the committee. This fee is due on the first day of each month. Anyone not observing this Contract will have the vehicle towed at owners/residents expense.

The vehicle is to remain uncovered. (Inside sun blocker's are acceptable). Snow removal around the parked vehicle is the owner/residents responsibility.
