

# YORKSHIRE VILLAGE HOA COMMUNITY NEWSLETTER

## NEW BOARD MEMBERS

Congratulations to our new board member **Jeff Powell** and our re-elected member **Shanell Johnson**! We are grateful for your willingness to serve our community.

We would also like to thank **Meagan Falor** for her dedication to the board over the past three years.

## HAPPY NEW YEAR!

We wish you the Happiest New Year and invite you to set a goal to get to know your neighbors this year, reach out to someone that might need a little help, or find a small way to give back to your community.

## MAINTENANCE UPDATE

Trimmed trees between east playground and canal  
Grinding down sidewalks  
Gutter repairs  
Snow removal preparation

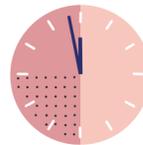

To notify the board of needed maintenance, please submit a work order through CINC or contact North HOA if it is an emergency

## WINTER PARKING

Please remember that Logan City's current municipal code reads that no vehicles may be parked on the city streets between 1:00 AM – 6:00 AM to allow for snow removal.

Your only guaranteed parking is IN your garage (NOT BEHIND IT)! We also ask that the following parking spots be left empty to allow for proper snow removal:

- 2 East stalls on Somerset
- 2 East stalls on Coventry
- 2 East stalls on Stirling

## CLUBHOUSE RENTAL

The clubhouse reservation process has changed. To reserve the clubhouse, you will need to log into your CINC account on North HOA's website. Owners and renters are both allowed to use the clubhouse and will be charged a \$40 rental fee and a refundable \$100 deposit.

## HOLIDAY CLEAN UP

As much as we enjoy everyone's holiday decorations, please clean up your porch if you still have pumpkins or other items that could be damaged by snow removal.

## PET CLEAN UP

Remember: Snow on the ground doesn't mean you can leave your pet's waste lying around. Please clean up after your pets.

## RECYCLING & GARBAGE

Help your community by properly disposing of garbage and recyclables in the correct trash receptacles! Logan City recently removed one of our blue recycling bins because of misuse and we do not want to lose any more. Please see the graphic for help knowing what can be recycled.
