In accordance with the CC&R's, Rules and Regulations, and applicable Civil Codes, the Board is charged with the responsibility for maintaining and managing the common areas of Yorkshire and for enforcing the provisions of the governing documents and these rules. The procedures described herein

shall be enforced in Yorkshire to provide conformity within the community.

Procedure

1. If the On-Site Yorkshire Professional Manager, Board member, or North HOA observes or is informed of a possible violation of these rules, the matter will be investigated by the Manager and the Board.

In the event a violation of the governing documents is found, a written notice shall be sent to the homeowner advising the nature of the violation and specifying the time limit to remedy the situation. If there is no remedy to the violation, it will be emphasized that any repeated violation of any similar nature will result in an additional violation and fine.

2. In the event the violation is not remedied within the prescribed time period, North HOA may levy a monetary penalty as set forth below but not to exceed \$500 per month for a continuing violation. In the event that there are physical damages, the homeowner shall also be responsible for all repair / replacement costs. The fee will be assessed to the homeowner's account as outlined in the fine schedule below:

1st Violation	\$100 Fine
2nd Violation	\$150 Fine
3rd Violation	\$200 Fine
Further Violations	Fine each Occurrence

3. A homeowner who is assessed a fine may request an informal hearing before the Board to protest or dispute the fine within thirty (30) days from the date the fine is assessed. The Board shall determine if there is a preponderance of evidence against the homeowner and a violation has occurred. The Board shall give written notice of the time and date of the

hearing not less than ten (10) calendar days prior to the hearing. The homeowner may appear and present evidence person or through an attorney. The Board shall issue a written decision within ten (10) days following the hearing unless additional time is necessary through no fault of the Board. No interest or late fees may accrue until after the hearing has been conducted and a final decision has been rendered.

4. A homeowner may appeal a fine issued by the Board by initializing a civil action within 180 days after:
 - a) A hearing has been held and a final decision has been rendered by the Board; or
 - b) The time to request an informal hearing has expired without the homeowner making such a request.
5. A fine assessed, which remains unpaid after the time for appeal by civil action has expired, becomes a lien against the homeowner's interest in the property in accordance with the same standards as a lien for the nonpayment of common expenses.
6. If a violation results in damage to Yorkshire property, the assessment shall also include the full cost of repair in addition to a penalty assessment. The Board will establish a "cure date" prior to the due date of a penalty.
7. The Board may suspend the right of a homeowner, their tenants, and guests to use any of Yorkshire's recreational facilities in accordance with the Bylaws and CC&R's.
8. The Board may suspend a homeowner's voting privileges in accordance with the Bylaws and CC&R's.

13. Assessment Collection Policy

Yorkshire has monthly dues that each homeowner is responsible for. These dues are used to pay for exterior maintenance, insurance, lawn care, and other necessary functions.

- Statements are prepared and mailed around the 15th of each month. It is each homeowner's responsibility to provide North HOA Management with a current mailing address or email address to receive monthly statements.
- Payments can be made online, mailed or by automatic payments.
- Please make all checks out to:

**Yorkshire Village HOA
c/o North HOA Management
PO Box 271062
Flower Mound, TX 75027**

Checks can also be placed in the mailbox outside of the Yorkshire Clubhouse (45 Kensington Place) **Include the unit number on the "memo" line of the check to ensure the payment is applied to the correct account.**

- Monthly dues must be paid **whether or not you receive a monthly statement.** Neither the Board or the Management company is responsible for the actions of the postal service. In order to avoid late fees and other penalties, be sure to allow enough time for your payment to be delivered and received. The following are procedures if a homeowner becomes delinquent in paying their homeowner dues:

a) **After 5 days delinquent:**

A \$10.00 late charge will be assessed to the homeowner's account per the CC&R's.

b) **After 30 days delinquent:**

A delinquent letter will be sent to the homeowner on behalf of the Association explaining that if full payment is not received within 60 days, the delinquent account may be subject to lien proceedings and late fees will be applied.

c) After 60 days delinquent:

An "Intent to Foreclose" letter shall be sent to the delinquent homeowner notifying them that their account will be referred to an attorney to begin foreclosure proceedings. A "Notice of Lien" may be recorded at the County Recorder's Office against the property on behalf of the Association.

d) After 90 days delinquent:

A "Notice of Lien" will be sent via certified mail to the homeowner. The Board will authorize the Yorkshire Attorney to sign the "Notice of Lien" on behalf of the Association. The delinquent account will be assessed fees to cover filing and attorney fees to prepare and file the lien.

e) After 120 days delinquent:

Foreclosure proceedings may start against the delinquent homeowner's property. The Legal cost and attorney's preparation fee will be assessed to the delinquent homeowner's account.

Your account will accrue a collection fee for every step taken after being 15 days delinquent. The Board will review requests for adjustments to collection fees for just cause. Date of receipt of payment will be determined by the date received by North HOA Management

The Board may make reasonable policy and rule changes if it is made in writing and proper notice is given to all owners. Owners and tenants are bound by all policy and rules. Such rules may be changed or modified at any time with a 30 day notice to owners.

.....

If you have any questions or concerns about the Rules and Regulations for Yorkshire Village feel free to contact the Board or North HOA Management.

Thank you!

Emergency Shut Offs

Natural Gas Shut Off

In case of any emergency that may cause a gas leak, locate the gas meter. It is usually in the front of your unit. Look for the valve shown above. **Use a crescent or box type wrench of the appropriate size and turn until the holes line up.**

Electrical Shut Off

To turn off the power to your unit, locate the main box on the outside of the unit. Locate the small cover next to your unit number & switch it to off. This will stop ALL power to your unit. **Do only in times of emergency.**

Water Shut Off

There are 2 water valves. The main is outside & requires a special tool to shut off. So, in case of any emergency that requires you to stop water flow into your home, use the valve shut off in the utility closet. **Look for a handle on a copper pipe coming out of the floor & turn it to the off or horizontal position.** This will stop water from entering your home pipes to that point.
