

PARKING ENFORCEMENT INFORMATION

Notice to all Residents:

Parking along the road and in Visitor Parking will now be enforced by Adams Roadside Assistance and Impound Towing of Tremonton, UT

Please read this information carefully to avoid being booted or Towed

Per your HOA and tenant agreement:

Residents shall use only assigned and designated parking spaces. Vehicles parked in unauthorized areas or in another tenant's designated parking space may be booted or towed at the vehicle owner's expense.

Visitor parking is for visitors only. Visitors must register their vehicle by following the information posted on the visitor parking sign.

No street parking is allowed as it impedes passage and snow removal. Vehicles must be parked in the driveways or in visitor parking.

No commercial trucks, boats, trailers, or recreational vehicles are allowed to be parked on premises.

Other Prohibited Vehicles include those that are inoperable, if they leak any substance, have no current license, or take up more than one parking space.

COST FOR LIGHT DUTY TOW (Vehicles 10,000 lb. or less)

Tow: \$179.00

Drop Fee: \$90.00: If a registered owner shows up before the vehicle leaves the property, the owner has the option to pay a drop fee instead of being impounded.
